FABRICS

The launch of the new Fabrics Collection is a culmination of the latest technological developments in carpet tile production combined with subtle textured design schemes resulting in two new designs - Tweed 2.0 and Canvas. The two designs offered in complementary colour palettes allow for seamless design, whilst varying the aesthetic feel of the floor allows clients to effortlessly demarcate varying zones within the workspace. Whether installed together or alone the new Fabrics Collection will enhance any work environment.

TWEED 2.0 (25cm x 100cm Plank)

Calico

Poplin

CANVAS (50cm x 50cm Tile)

Linen

Tapestry
